### Dear Parents and Community,

Wow the end of the term already. It has been a really busy term and I feel that we have all earned a rest. Enjoy the time off with your family.

#### NCVISSA Athletics Carnival

Thank you, thank you, thank you. Thank you to all our school community including the students, parents and staff for all their efforts with the carnival. Sincere thanks to Mr Conroy who marked the oval, to the parents for running the canteen and helping set up and pack away. Your assistance to make the day run smoothly is appreciated. Our competitors were amazing and came away with the handicap shield which is a massive effort for our small school combination. If all goes to plan we will be a force to reckon with again in 2021 as we combine with Binnu. What will our name be? We have been playing around with the letters to see what we come up with. CHUNABI, BINCHUNA..... If you have a suggestion email or send it in to school to add to our list.

#### SCHOOL BOARD TRAINING

Our school board works to assist in the governance of our school. Mrs Julie Campbell has offered to come to Chapman Valley to complete board training with us early next term.

#### STUDENT VOICE

We have continued with an emphasis on student voice in our school this term. I have been having fortnightly meetings with our year 6 leaders to discuss aspects of our school. Lately we have discussed and organised Happy Chappy Day this Friday (don't forget your frozen bananas or fruit), graduation dinner and an item for end of year concert. On Tuesday we also had a whole class meeting with room 3 which was a great way to let all the students have their say. Today we had another whole class discussion regarding language for 2021. At the moment Chinese costs us \$2500 for the year. SIDE (School of Isolated Distance Education) have been in contact and they can offer Indonesian for \$50 for the year. It is similar delivery mode. At this moment with our budget being so tight for 2021, this seems like a very viable option for our school.

#### Staffing Term 4

Mrs Blanke has confirmed she is taking Long Service Leave in term 4. Mrs Newhill will continue on in room 3 for the duration of the term. Mrs McCagh is also taking Long Service Leave for term 4. We wish both ladies all the best as they enjoy their well earned rest. We have been allocated COVID cleaning money for term 4. If you know of anyone who would like some cleaning hours during school hours please get in contact with Deb in the front office. We welcome Mrs Rayner into our Junior class next term as she begins her certificate through TAFE as an Educational Assistant.

Cheers and stay safe

# CBCA Book Week CURIOUS CREATURES, WILD MINDS

October 17-23 2020

#CBCA2020

In conjunction with Children's Book Council Bookweek we will have our annual BookFair in the first two weeks of term 4. It will be an awesome opportunity for people to purchase books for presents for Christmas, end of year prizes and holiday reading.

Our Bookweek Parade will be on Wednesday 21st October at 9am. The students will be making their own masks or head attire to fit with the theme of Curious Creature, Wild Mind. You may have to find some clothes to fit with the mask.

All community members are invited for the parade and morning tea to peruse the bookfair too. Please pass on the invite to all families and community members.

## Mobile devices School Policy

Just a reminder that as part of a School Behaviour Management Plan we do not permit students to bring mobile devices to school. Mobile devices can be an educational distraction at school in students bags outside the classroom and we would not like them to get broken or damaged in transit or at school in the bag.

## NEWSPAPER RECYCLING IS BACK

As well as helping the environment recycling newspapers generates a little bit of money for our school.

So if you would like to help us you can bundle your newspapers up, put a note on the top of the bundle that says **CHAPMAN VALLEY PRIMARY SCHOOL** and drop them off to Jack's Shed at the Aquarena.

Thank you

Each case will be considered on individual basis.

# Art Room 3

In art the room 3 students have been making Paper Mache models of famous people. Can you pick who these models are? They have been made from a recycled plastic bottle and recycled newspaper. Great job.

# Numero Competition

For the first time the year 6 students participated in the Numero Challenge On Tuesday 6th September at Allendale Hall. They came 6th out of 18. An amazing effort for a first time effort. The challenge is very different to just playing a game.

Our students received an email from the organiser, Julie Richards to congratulate our students and to say what a credit our students

PETER'S CHAP CHAT #1320

FRIENDSHIP

*"Friendship is born at that moment when one person says to another, 'What! You too? I thought I was the only one.'"*  
– C.S. Lewis

As a final topic for this term let us look at what it means to have and be a good friend. I am told that having a good friend decreases your chances of premature death from all causes by over 50%! Sounds a good thing to me!

1. Be approachable, watch your facial expression and put on a smile!
2. Get involved in activities you enjoy.
3. Have a positive attitude.
4. Don't wait for others to make the first move and be proactive.
5. Follow up with others, this is how relationships develop.
6. Say, "Yes," to invitations.

I am on site at school each **alternate Monday**... Blessings,

Peter Hanrahan, Chapman Valley PS Chaplain

## Our School Creed

This is our school  
Let peace dwell here  
Let the rooms be full of contentment  
Let Love abide here  
Love of one another  
Love of mankind, and  
Love of Life itself  
Let us remember  
That as many hands build a house  
So many hearts make a school
