November 16th

Board Meeting

December 4th

Graduation Dinner Yr 6

December 14th

Presentation Evening

December 16th

Nazareth House Visit

December 17th

Happy Chappy Day

Students finish

Dear Parents and Community,

Wow the end of the term already. It has been a really busy term and I feel that we have all earned a rest. Enjoy the time off with your family.

Welcome back to term 4.

We have a jammed, packed term full of learning, events, excursions planned including end of year concert and graduation. It is important for all of our school community that we continue with our consistent behaviour and progress towards achievement of school targets. The school programme including concert practise continues until the end of the year. Our reading milestones have been reset for term 4. We aim for ALL students to read 125, MOST students to read 175 and SOME students to read 200. These milestones are set on the expectation that students are reading 5 nights per week. The reading the students bringing home should only take 10 minutes per night and it is practising. The year 5/6 students are expected to be reading for at least 10 minutes per night. Reading practise is a great habit to get into and has many long lasting benefits.

ORIENTATION AND TRANSITION PROGRAMME

We are very excited to have 3 Kindy enrolments for 2021. Mrs Griechen has now completed interviews with 2021 Kindy parents. On Monday 2nd November we will start with our Kindy orientation programme. The Kindy students will come to school for 4 Monday's in a row. Mrs Griechen has got some very exciting activities planned and we look forward to having them in our school. The year 2 students will participate in 4 sessions in the senior class as year 3 students. They will participate in the sessions Monday week 4, 5 and 8, 9. They are very excited about being year 3 students.

STAFFING

Mrs Newhill is taking personal leave in week 6 and 7. We are planning for a relief teacher for these 2 weeks.

We have been lucky enough to employ Fiona Parker as our Junior Primary teacher in 2021 for 4 days a week. Fiona has a family with 3 children and lives in Geraldton. Fiona graduated at the end of 2019 and has previously done relief as an Education Assistant and did some teaching in term 2 at Chapman Valley Primary School. Currently Fiona is teaching at Rangeway Primary School. Fiona will come to visit us during the term.

CONTAINERS FOR CHANGE

As you would have heard and read Containers for Change has now commenced in WA. It is a great fundraising opportunity for our school and our community. We have set up a recycling bin outside the library to collect containers that are marked and fit the scheme. Alternatively our school has been registered and anybody in our community can donate to our cause. Please encourage your family members and the wider community to collect containers for our school. The students completed a persuasive writing in class on Wednesday to persuade our community to participate in the programme. It is a really easy way to fundraise.

ATTENDANCE

From week 1-3 our whole school attendance has been 95% . We have had 15 students with 90% on higher attendance. Keep up the fabulous work.

Our aim is for each student to attend at least 90% of the time.

REMEMBER if your child is not at school please send us a message or phone to notify us.

5 days attendance in a week earns an extra raindrop of KINDNESS to Yourself. But do stay home if you are unwell. Stay home and recover.

5 night reading in a week earns an extra raindrop of KINDNESS to Yourself. Reading is great for our health.

Mobile devices School Policy

Just a reminder that as part of a School Behaviour Management Plan we do not permit students to bring mobile devices to school. Mobile devices can be an educational distraction at school in students bags outside the classroom and we would not like them to get broken or damaged in transit or at school in the bag.

NEWSPAPER RECYCLING IS BACK

As well as helping the environment recycling newspapers generates a little bit of money for our school.

So if you would like to help us you can bundle your newspapers up, put a note on the top of the bundle that says **CHAPMAN VALLEY PRIMARY SCHOOL** and drop them off to Jack's Shed at the Aquarena.

Thank you

SCHOOL NEWS

PETER'S CHAP CHAT #1420

MENTAL HEALTH, YOU & OUR FAMILY

We all experience it, time and again - the storms of life toss us around, the unexpected happens, the crisis is encountered. How can we bounce back? How do we develop our resilience? How are we able to cope? Here are some ways I've found that can help us to promote positive mental health in our kids and ourselves:

1. Have an attitude of GRATITUDE.
2. Get enough SLEEP.
3. Eat a healthy DIET.
4. Exercise & PLAY.
5. Listen to positive & uplifting MUSIC.
6. Genuinely LISTEN to each other.
7. Use WORDS of encouragement.

How about putting a few of the above actions in our daily lives? The results can see us be better people, as we value each other through positive relationship building...it's a daily walk!

*I am available at school each **second Monday**...Blessings to you and your family,*

Peter Hanrahan, Chapman Valley P.S. Chaplain

REPORT ALL SUSPICIOUS ACTIVITY AROUND THE SCHOOL

If you happen to see anything that looks suspicious around our school, please contact the Northampton Police Station on 99347600 or

Jo Luxton on 0429 977 603.

Please ensure you take note of vehicle number plates and other details should we need to assist police with their enquiries.

Our School Creed

This is our school
Let peace dwell here
Let the rooms be full of contentment
Let Love abide here
Love of one another
Love of mankind, and
Love of Life itself
Let us remember
That as many hands build a house
So many hearts make a school

Please complete the school survey will be emailed out. We value your opinions and feedback.

If you would like to come and discuss any aspect of your child's schooling please feel free to come and chat with us.

Enrolments for VacSwim in January are now open!

Take the plunge! Find a program near you and [enrol now](#).

VacSwim has helped children across Western Australia to stay safe and confident in the water for over 100 years. We offer:

- ▶ vital swimming and water safety skills
- ▶ lessons for beginner, intermediate and advanced swimmers
- ▶ a variety of [programs](#) ranging from five to ten days
- ▶ opportunities to progress through [stages 1-16](#) and obtain [Bronze Medallion](#)
